TRACKING!

Chuckanut Dog Training Association, Inc. Tracking Classes 2010

Basic Tracking – an Introduction to the Sport

Jan. 9, 23, Feb. 6, 20, Mar. 13, 27

8:00 – 12:00 noon

So, you don't have tracking experience but you'd like to try this sport with your dog? This class will cover motivating & starting your dog, equipment, laying tracks, "reading your dog", & will give you a new appreciation for the brilliant canine nose.

Advanced Tracking – Getting Ready for the TD Test

Jan. 2, 16, 30, Feb. 13, 27, Mar. 20

8:00 – 12:00 noon

This class will move you and your dog toward becoming ready to be certified to enter a tracking test. The class is designed for the person who has started their dog, has been working corners, moderate distance, and slightly aged tracks, and who knows they will have the time to train between lessons.

Plus, it will get you motivated to get out and track!
